Each Construction Milestone will be extended Day- for-Day with respect to the effects of any Excused Delay, provided, in the event an Excused Delay does not or is not reasonably expected to cause a Day-for-Day delay in subsequent Construction Milestones, and to the extent any such Excused Delay can be reduced by commercially reasonable efforts of Seller, the extension of such subsequent Construction Milestones shall be a reasonable amount based upon applicable circumstances.
- (c) **Liquidated Damages.** The Parties agree that if Seller fails to meet Construction Milestones, other than as the result of an Excused Delay, Buyer will suffer damages that will be difficult to quantify. Accordingly they have agreed that in such event Seller will pay the liquidated damages amounts set forth below, as damages and not as a penalty.
- (i) In the event Seller fails to complete its submission of applications for all Consents by the Target Consents Application Date, Seller will pay Buyer liquidated damages as follows: in the amount of One Thousand Dollars (\$1,000) per Day or portion thereof, commencing the Day immediately following the Target Consents Application Date and continuing until and including the Day on which Seller has completed submission of all applications for the Consents, provided, however, the maximum liquidated damages paid under this subsection shall be Ninety Thousand Dollars (\$90,000).

In the event Seller is able to achieve Commercial Operation by the Target Commercial Operation Date notwithstanding such prior unexcused delays, Buyer will refund all previously-paid liquidated damages amounts, without interest. - (ii) If Seller does not achieve Commercial Operation of the New Facility by the date one hundred eighty (180) Days following the Target Commercial Operation Date, as such may be extended by Excused Delays, Buyer may, in its sole discretion, upon notice to Seller, terminate the Subject Transaction and such failure shall constitute a material reason under Article XXX.

T_{FS} = the Turkish month ahead forward price for one MWh of Base Load Electricity for the particular Settlement Period, established and reported by the Turkish Derivatives Exchange (TURKDEX)

C_S = Average transmission costs per MWh for the Settlement Period =

(Sum of transmission costs) / (Contract Quantity in MWh) over the particular Settlement Period

Where transmission costs = total transmission, dispatch, allocation fees (including any compensation for transmission losses) incurred by the Seller for the delivery of the Contract Quantity from the hydro plant to the Delivery Point

18. The Contract Price shall be denominated in Euro (€) unless otherwise agreed by the Parties and stated in Appendix One.

[Note currency risk: Contract Price could be indexed against the Turkish or Georgian Lira or a combination to avoid losses to the Parties from potential depreciation of the Euro]

23. **Disputed Amounts:** If the Buyer, in good faith, disputes the accuracy of an invoice, it shall on or before the Due Date provide a written explanation of the basis for the dispute and shall pay: the undisputed amount invoiced no later than the Due Date. If any amount withheld under dispute is finally determined to have been due, such withheld amount shall, at the election of the Seller, be credited or returned to it within ten (10) days of such determination, along with interest accrued, calculated daily at the Interest Rate of 0.075% from, and including, the date such amount was due, to the other Party, but excluding, the date paid or credited.
